EDITOR'S LETTER

Congratulations to you – you've made it through another year in one piece! Never something to be taken for granted in these troubling times, but here you are - and here we are as well, all set to face the toils and tribulations that 2016 might bring! So how to reward yourself for scraping through 2015? Well how about with an eyeful of some of the tastiest women on the planet peeling off, for starters?!

WINTER FUN

Dear *Mayfair*,

I can't be the only person who gets fed up of Christmas in this country – the overbearing festivities and revellers' drunken celebrations, always exaggerated because they feel they have to extra-jolly at that time of the year.

So last year I went to Spain for a fortnight, staying in a little hotel off the beaten track. It was a quiet place, owned by an older couple, and was absolutely perfect for the relaxed break I had in mind. The owners' 20-year-old daughter, Adelina, worked as barmaid-cum-waitress

“ONCE SHE'D
RELAXED SHE WAS
HAPPY TO SPREAD
HER LEGS AND LET
ME DO MY THING”

and as I wasn't exactly spoilt for choice where possible shags were concerned, I decided to try my luck.

It took a couple of days to get to know her, but eventually my outrageous flirting and continuous attempts to make her laugh worked and we ended up sleeping together.

Her looks were typical Spanish – dark hair and eyes and, when I saw her naked, her bush was right out of 1970s porn, even though she hadn't been born in that decade. Fucking her while it was in its full glory was pretty sexy – I loved feeling her up all over, everywhere but her snatch, then when I knew she'd be nice and moist, dipping my head down for a sniff and a lick. Her pubes seemed to soak up my sperm making me bigger and sexier.

However, I'm used to fucking women with nothing thicker than a couple of tramlines and a triangle (and admit to that being my sexual preference), so I decided to talk Adelina into letting me shave her. She said no way at first but I'm sneaky.

As I was staying for the whole of Christmas, I bought her a pink bikini as a present. She definitely had the figure for it and looked stunning but, as I delicately

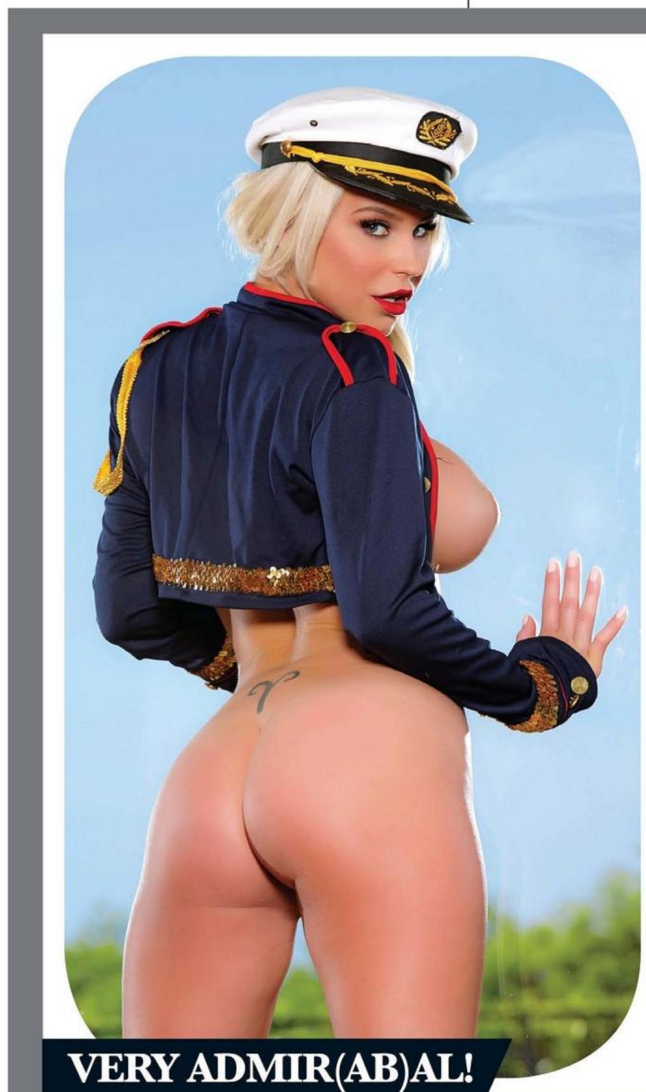

pointed out, her pubes were escaping from the sides of it. She saw my point,

and the next day – her day off – she came to my room, after telling her folks she'd be out with friends for the rest of the day and not to wait up, the cheeky minx!

We locked ourselves inside, getting merrily pissed on a bottle of Spanish brandy Adelina had liberated from the bar. She was a bit nervy about getting shaved as she'd never done it before, and scared we'd get caught at it. Once she'd relaxed, though, she was quite happy to spread her legs and let me do my thing.

Being completely presumptuous, I'd bought a big can of shaving foam and half the razors in the village chemists, in anticipation. I started by ruffling her bush with my fingers, separating her curly black hairs as I worked massive blobs of the foam into it. She loved how it frothed up, and I couldn't wait to see her face when she saw the finished result. I bought her a little mirror to hold so she could see her snatch better, and she got all excited when she watched me whisk the first lot of hair from her mound.

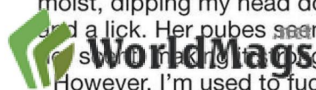

I had to keep running the razor under the tap to keep it clean, and I've never done such a smooth shave in my life

VERY ADMIR(AB)AL!

Dear *Mayfair*,

I've been a massive fan of Spencer Scott ever since she first appeared in your magazine two or three years ago, but that latest photoshoot you featured of her in your last issue completely blew me away! I worked for a bit in the Merchant Navy donkey's years ago, and if a vision of loveliness like Spencer ever appeared on our ship, I think we'd have all tripped over our tongues in the rush to get near her. That perfectly peachy bum of hers poking through the split crotch in her panties has got to be the most mouthwatering thing I've ever seen, and as for her perfectly shaven pussy... well, take it from me, that definitely got more than a fleeting glance! Hats off for a perfect set of pictures – and a magazine that just seems to get better and better with time! Alan, Eastbourne.

TYE'S TREAT!

Dear *Mayfair*,

Great to see that while in most walks of life you get less and less for your money, *Mayfair* have decided to give us more girls per issue – and what a cracking bunch they were this month! Centrespread Amy was truly spectacular, but I have to say that in my opinion you probably opened with your strongest suit with those wonderful pictures of the flawless Sammi. Just that dreamy look on her face alone is enough to

get a bloke standing to attention, but when you combine it with her wondrous body (not least the perfectly formed arse, shown off to perfection on page 13) then she really is the complete package! No wonder your Ed's so obsessed with her – he's not the only one. Lets hope 2016 brings us plenty more chances to appreciate Sammi's generous charms! Keith, Leicester.

– not even on myself. I was pleasantly surprised at just how much paler her skin was underneath her dark thatch and couldn't control the enlarging of my dick as I revealed her puffy fanny lips. Halfway through, I told her not to look again until I was finished and she agreed, saying that she was too busy staring at my naked cock bobbing around, anyway!

"Ta-da!" I sang triumphantly as I wiped the last flecks of foam off gently and showed her my handiwork. She said she couldn't get over how cute her pussy looked, and when I grabbed her hand and trailed her fingers over her soft, bald skin, she told me that loved the feel of it even more.

Of course, I couldn't wait to fuck her, but she decided to thank me by getting me to full hardness with a blow-job. And who was I to reject a lady's thank-you? I settled back on the bed as Adelina crawled up my legs, reaching my rigid tool and

Finally, she gave up and wrapped both hands around the base of my cock and wanked them up and down my shaft as her mouth enveloped my tip, sucking hard. As I closed my eyes, she matched her lips to her hand rhythm while still sucking away, which made me gasp with pleasure. Just as I was getting used to it, Adelina swallowed my entire length causing it to hit the back of her throat and make her gag. But instead of pulling away, Adelina kept going, deepthroating my willing member for all she was worth.

I couldn't wait any longer – I just had to be inside her – and seeing my prick slide into that smooth, pale hole, the juices streaming out with nothing to soak them up, almost had me coming before the first thrust.

Luckily I pulled myself together, and enjoyed how much more sensitive Adelina had become – how she gasped as my own thick crotch hairs scratched against her sensitively tingling skin and moaned as my pendulous ballbag slapped against her arsehole.

Of course, when I finally reached the point of no return, I couldn't resist pulling out and rubbing my juice-sodden helmet against her clit, making her climax just as I splashed my thick white man-juice all over her newly bare pussy – something we both enjoyed the sight of immensely.

Adelina and I had so much fun in that two-week period that I almost didn't want to come home. But it definitely changed my 'bah-humbug' opinion of the Christmas season and made me realise that, in future, my happy Christmases will be filled with festive fucking! Which is why, this December, I'm taking myself off to Germany – I've heard that frauleins are frickin' filthy! Brendon, Maldon.

**"AS I CLOSED MY EYES, SHE MATCHED
HER HAND RHYTHM WHILE
STILL SUCKING AWAY, WHICH MADE ME
GASP WITH PLEASURE..."**

cleverly taking it into her mouth without using her hands. I had never had a hands-free blowie and I was in heaven – especially when she began massaging my balls with her plentiful norks.

Well it wouldn't be Christmas without a bit of Holly about the place, would it? And just because we're feeling generous, we thought we'd throw in a bit more festive greenery as well – Emma Green-ery, that is! Look, we tried to find a model called Ivy, but they're a bit thin on the ground, alright? And besides, once Holly and Emma here got together, it quickly became clear they were a far better match than the plants of the song! Holly and ivy might well look nice in a forest, but they don't get up to half the naughty things this horny pair did, let me tell you!

Mmm, what is it about a girl with a hole ripped in her tights, eh? Perhaps it's just simply that you can see her pussy – but there's something about the framing of a pussy that makes ripped tights even more alluring – especially if the framing of the ripped tights is as lovely as Aubrey here! So what does she think of them, we wondered?

“It seems somehow dirtier than just showing off my pussy, I guess. I think I ought to get some tights just so I can experience being fucked through the ripped hole!”

Ahem, well no time like the present!

flat-plane crankshaft. The sounds generated are also further enhanced by an in-depth study of harmonics and tonality at different engine speeds. The sound is seductive but never invasive when the top is dropped, with both volume and clarity increasing as the engine instantly responds to the accelerator pedal, reinforcing the unmistakable sensation of massive performance.

The car is due to go on sale some time next summer, and only then will we see how it stands up next to the Lamborghini and McLaren, but the initial signs are certainly there that the 488 is going to give them more than a run for their money. It's certainly reassuring to see Ferrari once again setting the benchmark for any modern day supercar.

RUNNERS... AND SPIDERS!

Ferrari's new 488 Spider looks like it's got the clout to kick some serious arse...

Here at *Mayfair* it's not just the ladies dropping their tops this month! We've also got a rather juicy topless supercar for you too!

Ferrari has finally revealed the second member of the 488 family: the Spider. And with the likes of the Lamborghini Huracan and the McLaren 650S Spider firmly in its path, the road to topless supremacy will be one hell of an uphill

or deploy. The downside to all drop-tops though is the added strengthening required to make up for the loss of a fixed roof, and this translates in to the Spider coming in at 50kg heavier than the 488 GTB. There's some good news though – thanks to the 488 Spider's intelligent spaceframe chassis, made of 11 different aluminium alloys, the 488 produces the same torsional rigidity and

battle for Ferrari. But with a 3.9-litre V8 with tons of power, the 488 Spider will certainly have the goods to make it one hell of a fight.

The 488 Spider arrives only six months after the 488 GTB coupé was first introduced, and becomes the most powerful drop-top to come out of Maranello. As with the 458 Spider that went before it, the 488 uses a two-piece retractable hard-top, which is an amazing 25kg lighter than the fabric roof used on the old F430 Spider. The top folds backwards in two overlapping sections to rest flush on the engine in a very smart and compact solution. The mechanism is exceptionally smooth too and takes just 14 seconds for the top to fully retract

beam stiffness figures as the coupé, so the lack of a roof doesn't lead to lack of performance. In fact Ferrari claim that their special chassis has improved the Spider's performance by 23% over that of its predecessor, which is more than a bit impressive.

Also carried over from the GTB is the new 3.9-litre twin-turbo V8 and seven-speed F1 dual-clutch transmission. Developing 660bhp at 8,000rpm, the Spider has a claimed 0-to-62-time of three seconds flat. That's identical to the hard-top GTB's time, and 0.4 seconds faster than the old 458 Spider powered by the 562bhp 4.5-litre naturally aspirated V8. Roof up or down, the 488 will top out at 203mph, yet Ferrari claims a very

efficient and friendly 24.7mpg and CO2 emissions of 260g/km.

As well as being Ferrari's fastest ever Spider, the 488 is claimed to be the most aerodynamically efficient drop-top from the brand. This is due to aerodynamic features such as the active front bumper and blown rear spoiler carried over from the GTB.

To make the 488 even more engaging to drive than the 458 Spider, Ferrari has tweaked the electronic aids. The second-generation Slide Slip Angle Control System now allows the driver greater freedom with throttle inputs, with less intrusive traction control. Ferrari claims the result is 12 per cent faster acceleration out of corners than in the 458 Spider, with a 9 per cent improvements in steering and throttle responses.

The manufacturer has also fitted an electric glass rear wind stop, which can be adjusted to three positions. Even when the roof is in place, the glass section can be lowered so that the driver can enjoy the roar of the engine. And in line with Ferrari tradition, the 488 has its own distinctive soundtrack created using solutions such as exhaust headers with longer, equal-length piping and a

Pop-pickers will be well aware that Adele's all the rage again at the moment (*Erm, are they still called 'pop-pickers'? – Ed.*), and while we're definitely fans of the North London songstress as much as the next man, sadly she only comes second in our list of favourite Adeles – on account of Adele Taylor here!

"Aw, that's lovely of you to say so!" beams our Adele. "Sadly I don't quite have as many fans as that other Adele just yet, but I'm working on it!"

Well we're sure you'll attract plenty more with these piccies!

The Lancashire lovely doesn't sound too averse to the idea either...

A man walks into a pub for a drink, but he can't get to the bar as everyone in the place is crowded around it. Eventually he elbows his way through the mob and sees what the fuss is all about. On the bar top is an upside down saucepan with a duck dancing manically on top of it.

A week later, the man is back looking for the guy who sold him the bird.

"Easy," he says. "I smoke 80 fags a day. I snort a coupla grammes of cocaine every week. I insist on at least three fat spliffs a day. It's the night before the chess championship and a bunch of eggheads are congregated in the foyer of the hotel which will be their venue.

They're all boasting about how great they are at the tactical side of the game, the psychological side, the sheer power of their memories... The receptionist puts up with this for about an hour before she rushes out and screams at them all to get the hell out of her sight and hearing.

As they run for the door, the manager takes her to one side. "That was a bit harsh," he says.

"Maybe," she replies, "but if there's one thing I can't stand, it's chess nuts boasting in an open foyer."

Three women are sitting in a bar, chatting about the lack of imagination their men show in bed. One of them reveals that she's been reading 'specialist' literature on spicing up your sex life, and opens a catalogue at a page displaying skin-tight PVC catsuits and masks.

"I suggest we order one each, and surprise our blokes," she says.

The others agree and orders are placed.

Two weeks later, they're in the bar again.

"Well, it worked a treat," says the first. "I dressed up, and when my man came home I leapt on him in the hall and we had the most fantastic sex ever."

"It was money well spent," says the second. "I put my gear on just before bedtime, so when he came into the bedroom there I was in all my slinky glory. We had great sex for hours."

"Typical," says the third. "I had mine on in the kitchen waiting for him to come home."

"And..."

"He said 'what's for dinner, batman?'"

Scene from MAYFAIR

Can't be doing with the Queen's Speech this year? Don't fancy the Corrie Omnibus either? Then why not sit back and enjoy some of these releases instead - or at least fall fast asleep in front of them?

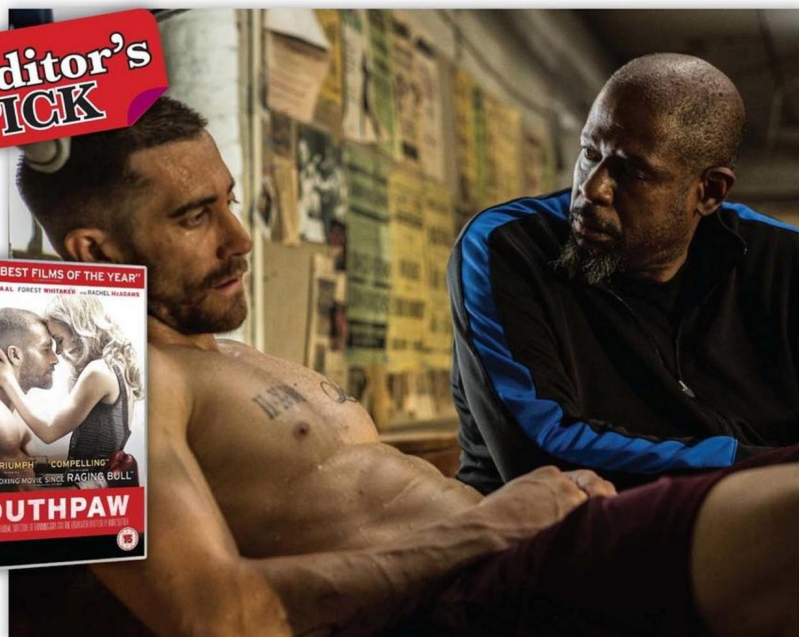

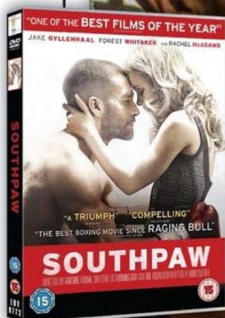

SOUTHPAW

There aren't too many sports that lend themselves to drama better than boxing, are there? There have been plenty of great boxing flicks, while you could count classic squash movies on the fingers of no hands. And, with a lead performer with the credentials of Jake Gyllenhaal, it's a pretty safe bet that a film's going to pack an emotional as well as a literal punch.

Gyllenhaal plays Billy Hope (see what they did with that surname), a pug who's retired due to an eye injury, but then a rumpus at a charity gig sends everything properly tits up when Billy's wife Maureen (Rachel McAdams) is shot and killed. Cue a quest for vengeance, with Billy inevitably donning the gloves again (with some nice coaching from Forest Whitaker along the way).

If it all sounds a tad overwrought, well, it is, really, but the strong central performances carry you along without any trouble at all.

Editor's PICK

GHOST STORY

Well here's a bit of an oddity. Who do you suppose was the biggest star in the 3rd highest grossing horror film of 1981? Robert Englund, perhaps, or Vincent Price? Nope, it was Fred Astaire, the golden era dancer who found his feet again as a straight actor towards the end of his career. Also starring is Douglas Fairbanks Jr, which means this flick has plenty of pedigree!

The story revolves around four old chums (the others are another couple of Hollywood old-timers Melvyn Douglas and John Houseman), who gather to tell creepy tales for each other's entertainment. Except suddenly things aren't quite so entertaining for them, as it appears there's a killer in their minds. Yes, the set-up's a wee bit conventional, but this is actually a very efficient piece of horror making, and stands up well not just for being a cinematic curio.

THE LAST KINGDOM

A couple of years back the TV series *Vikings* came along to try and plug the massive *Game of Thrones*-sized hole in the schedules for some of the year, but it never really quite hit the spot, and this year the Beeb have got in with another tale of Norsemen, this time based on the popular Saxon Stories by Bernard Cornwall.

German actor Alexander Draymon plays a brooding Uhtred, a Saxon lad who's been adopted by Viking settlers in the North-East, but who finds himself on the run after an act of treachery and ends up as a sort of middle man between King Alfred's Wessex and the every advancing Viking marauders. There's a bit of historical truth to it all, and David Dawson makes an interesting Alfred. Solid enough fare, really, although not quite on a par with *GoT*, sadly.

Toned Essex lovely Jamie must hate this time of year – what with all the temptation to gorge on food and drink until you pass out!

“What are you talking about?” she laughs. “Of course I like to stuff myself as much as the next person – mince pies, boxes of choccies, and as much fizz as I can fit in the fridge!”

Well there are a lot of people who’ll envy you your shape in that case, Jamie!

“It’s all about burning off more calories than you eat, isn’t it – and that’s even more fun!”

STELLA COX NYMPHOMANIAC

CAST: Stella Cox, Lexi Lowe, Ash Hollywood, Lea Guerlin, Kira Queen.

Big-boobed British pornstar (of Italian extraction, we're led to believe) Stella Cox has certainly got a lot of things going for her, and is the deserved recipient of a Nymphomaniac flick of her own. And while viewers of her earlier films will be all too aware that she loves nothing more than a big cock to play with, this one opens with her fantasizing about a lesbo threesome – a fantasy which becomes a reality with Lexi and Kira. Lots of toys get a look in, and Stella's bum gets a priming – something which comes in useful in later scenes! There's plenty of variety in the remaining scenes, including a toy/cock DP, and the more conventional 2 cocks variety. Deffo one to watch, this, if the thought of a flamer with

HOT CHICKS BIG FANGS 2

CAST: Nikki Benz, Mia Malakova, Chanel Preston, Anna Bell Peaks, Riley Reid, Jillian Janson, Jessica Jaymes, Dillon Harper, Janice Griffith, Nina Elle.

OK, so this was clearly released with the Halloween market in mind, but we've got longish lead times here at Mayfair, and this is the first opportunity we've had to feature a review. You might think that perhaps we shouldn't bother, but then when a film's got a cast list that includes Mia Malkova, Jessica Jaymes and plenty of other DP hotties, we couldn't give a toss how topical it is! If you've seen the first instalment then there won't be too many surprises, but if not... well, Nikki Benz plays the lead vampire in a houseful of horny bloodsuckers, but thankfully they're adept at sucking more than blood. In order to attract the menfolk, they advertise for a sex party, and what do you know, loads of the saps turn up. They get the sex alright, but they also cop it at the end. Highlights include a terrific poking for Chanel Preston, complete with dirty talk, and a heartfelt gangbang featuring four girls and a couple of guys. Proper job!

WET

CAST: Aleska Nicole, Annika Albrite, Krissy Lynn, Courtney Taylor, Veronica Avluv.

WorldMags.net

I don't know how much fun you manage to have in the shower, but Aleksa Nicole clearly isn't the sort of girl to pass up the opportunity to enjoy herself while she's getting a hose down. After slathering herself in lather she shoves a glass dildo straight up her jacksie. Frankly, though, it's not quite enough for the wanton mare – so it's a blessed relief for her when she's joined by a heavily tattooed woodsman who sets about shoving his prong into her every which way. Ooh, and look – she's a squirter, splashing off all over the place before he's finished with her.

★★★★☆

There's plenty more oily shenanigans in this lube and water-heavy feature, and a fair bit more squirt action as well, most notably courtesy of mucky Veronica Avluv, who's got to be one of the horniest MILF on the planet.

They've even thrown in a a goodly bit of backdoor fun in the last couple of scenes for good measure, courtesy of Courtney and Krissy, which makes this one of Wicked's more in-er-face offerings of recent times, obligatory johnnies notwithstanding. Grab your brolly and get stuck in – there's plenty to like about this one.

After all the glitz and spangles of Christmas, how about seeing the issue out with something a bit classier – Like Lia here in her rather spectacular bedwear. It's a little bit sexier than the stupid onesies most of us will be trotting around in after Christmas, isn't it?

"Don't knock onesies!" she protests. "I've got four of them myself – there's nothing nicer than snuggling up in one on a cold winter's night!"

Looking at you in that outfit, Lia, we can think of plenty of things that would be nicer!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I've always had very definite lesbian preferences. My current girlfriend Evie is really hot and I am writing to tell you about one of the best times we have shared so far. Evie and I slept together the very first night we ever met.

Actually, we'd gone straight to her apartment

come up for a while, not until one evening when I arrived to stay with her for the night. I was keen and I was early, and just as I turned onto her street I noticed a tall, handsome guy leave her house and get into his car.

I didn't think anything of it until I rang the bell. Evie opened the door in a flustered, half-naked state, and I got totally wet as I thought of what the naughty minx

had been up to. She had the grace to blush and began trying to explain her behaviour, but the truth was that I couldn't have cared less, mainly because I was getting very aroused, knowing that she had just been fucked. I looked her up and down, taking in her slutty and dishevelled appearance. She looked so hot with her make-up smeared and her hair tousled that I wanted to get right between Evie's legs right there and then. With this in mind I asked her if she'd had fun.

Finally realising that I was far more turned on than jealous, Evie shrugged happily and told me "yes", but added that now that her pussy had enjoyed a proper pumping, what she needed was some tender tongue-teasing in her over-heated slot. No longer looking guilty, she asked me to make love to her.

I couldn't give a monkey's who the guy was. She tried to tell me but I just shushed her. All I wanted was to lick and frig her brains out

only half an hour after being introduced! While I was trying to get up the nerve to kiss her, she started rubbing my pussy through the front of my skirt. Feeling the heat as I pressed my runy, warm little hand, I was gob-smacked when she flipped up the front of my skirt, pulled my panties down and ate my pussy better than anyone else ever had.

It was one of the hottest things ever. However, it occurred to me that if she would go down on me on our very first meeting like that, she would probably do the same to the other men and women she met.

Strangely, I found the idea of her screwing other people oddly arousing. The matter didn't

while she described what they had been up to. She giggled as she put her coffee mug aside and ran in front of me to the bedroom.

Her bed was a mess. I noticed a small wet stain on the sheets and enjoyed the knowledge that on that very spot a man had emptied himself in my Evie's pussy. I also knew that she had thoroughly enjoyed it, and that fact only served to make me even more excited. As Evie played around on the

bed, I began yanking my clothes off, and once free of them I buried my face between her legs to kiss her pussy.

"Tell me what happened, in detail," I demanded, eyeing her delicate pink pussy lips as I saw the bloke's come still dribbling out of her. It felt a little strange eating her pussy with a man's spunk still inside her, but somehow the deviance of it made the situation all the more erotic, and as my clit throbbed and ached I wanted nothing more than for her to tell me all about it.

I could taste the guy's spunk on my tongue as Evie began to tell me that she had bumped her cart into him while shopping one day a couple of weeks previously. Her trolley had run over his foot and he made the most of it, getting her to join him for a drink, and then freely admitting that he had only made such a fuss about his ankle on the off-chance of getting into her knickers! She'd just laughed and said she was flattered. Hearing what a hot little whore my Evie was, I dipped my tongue further inside her spunk-filled slit, lapping the mixture of male come and her delicious juices.

Evie continued, telling me how they'd ended up going back to her car, where they steamed up the windows as he fucked her in the car park without a thought for passers-by seeing them. I was really getting excited by how genuinely slutty Evie could be, and when she told me what a great fuck this total stranger had been the first time they shagged, I pushed a hand between my thighs and began to dig my fingers deep inside my own pussy, wanking hard.

MY PUSSY TINGLES AS I VISUALISED HER HEAD BOBBING ON THIS BLOKE'S COCK.

Even her admission that since then, Jack had been over about half-a-dozen times to fuck her did not make me feel jealous, and I began rubbing my clit vigorously. In fact the sluttier Evie talked, the hotter I became, rolling my engorged, aching clit between my fingers and pinching it hard as I slid my tongue in and out of Evie's sperm-filled love-hole.

She was gasping for breath as she told me how he'd arrived without warning a few hours earlier and had begged her to suck him. My pussy tingled and contracted as I visualised her head bobbing on this bloke's stiff cock, and, ramming two fingers deep inside my slit, I felt my whole body jerk as my orgasm flooded through me. I sucked harder on Evie's swollen labia, drinking her juices as my own trickled out of my pussy while I pumped my hand in and out.

Evie moaned and thrust her pussy against my mouth as both our fannies went into spasm. I fought for breath, sucking her juices into my mouth as her fingers pulled and pinched at my super-sensitive nipples. Gasping, she told me how she had sucked

him, and how he had pushed his hard cock inside her pussy and fucked her like a maniac, making her climax again and again.

Our bodies bounced on the bed as I came hard and in unison with my sexy bisexual lover, Evie's juices dribbling down my chin as my pussy throbbed and contracted. Writhing in a tangle of sheets we kissed deeply, tenderly celebrating our love and pressing our soaking pussies hard together.

For the last few months, I've been exposing myself to my boss Stephen in an increasingly outrageous way. It started off as office banter, with Stephen admiring my long legs as I sat opposite him, so I started by crossing and uncrossing them to tease him. Then, knowing that he liked my big, firm 36D tits, if no-one else was in the room I'd undo an extra button or two on my blouse to expose plenty of cleavage for him. These occasional glimpses of my scantily-clad crotch or boobs drove Stephen wild with lust and knowing he was so turned-on always made me wet and horny. Some days it was a real effort to concentrate on work, because I was getting so aroused flashing at him. I would often disappear home for lunch to masturbate, because the power of knowing how much I was turning him on was a real aphrodisiac for me as well.

Stephen would encourage my flashing by commenting on my outfits and how sexy I looked. Initially I'd show him the top of my bra and plenty of cleavage, asking him if he liked my sexy bra. These occasional flashes became an almost daily occurrence. I started buying more skimpy knickers and lacy bras, so when I did expose myself the effect it had on him was explosive. I really got off on all this and when I got home I was desperate for a shag with my husband. I would always come in next to no time!

Like a lot of men, Stephen confessed he had a stockings and suspenders fixation and would instantly get hard in the office when

I paraded before him, skirt above my waist, his cock twitching appreciatively as I bent over my desk. This revealed the thong riding between the cheeks of my firm arse and biting into my soaking wet

clearly visible through them.

We were now alone, so I began to masturbate, teasing my panties aside and pushing a finger up my exposed hole for him. With one hand I held the panties aside, while the other teased my lips open and circled my engorged clit. I watched his cock twitch repeatedly in his trousers while I masturbated, making me even more aroused. I had never been so wet, and the juices were literally pouring out of

the brink and order Stephen to smear his pre-come over his purple helmet and squeeze his own balls, but I wouldn't let him masturbate. Eventually I couldn't hold back any more and a wonderful orgasm tore through me.

As I recovered I made Stephen lick my fingers clean and gently started to squeeze his balls, but stopped him from touching me. I then teased his length with my finger, dipping it into my pussy for effect before letting him sniff and lick my juices.

Hearing the cleaners getting closer, I slowly began to masturbate Stephen and just before he came I thrust two dripping fingers into his mouth. As I did he unloaded spurt after spurt of hot creamy come over his belly and up onto his shirt and tie (which he later told me was completely ruined, by the way).

Where all this will lead to, who can possibly say? But I really can't wait to get to work these days!

I TEASED HIS LENGTH WITH MY FINGER, DIPPING IT INTO MY PUSSY FOR EFFECT...

my crack.

Stephen told me the next day he'd wanked himself silly the previous night, and hearing this turned me on immensely. The pattern was now set for more outrageous flirting and flashing – but with no touching. I would now regularly dip my finger into my sodden hole and let Stephen sniff it, and sometimes even get him to lick my fingers clean.

One night, just

Stephen and I were in the office with the cleaner downstairs. I began to torment him by bending over, hitching up my skirt and revealing my black thong framing my arse. I asked him what he wanted me to do as I played with myself. He told me to tease my outer lips and open up my cunt so he could see deep inside. I pulled off my sodden thong and passed it to Stephen to sniff. I sat opposite him on the desk, legs wide apart, and opened myself up to him with one hand, while furiously working my clit with another. As my orgasm built I ordered Stephen to take his jeans and boxers off. He looked a bit panicky with the cleaners still in the building, but he didn't let that stop him!

His cock was huge, eight or nine inches long, with big hairy balls. I told him to sit with his legs open, but not to play with his cock. I was incredibly aroused, staring at it and now, and had two fingers inside me, one working my G-spot, the other massaging my clit. Seeing his length twitch and his pre-come ooze onto his belly, yet knowing I was in complete control, was a huge turn-on.

As my orgasm built I would stop myself on

Although I'm the wrong side of 30 I like to think all those trips to the gym haven't been entirely in vain, and when I'm all dolled up I can still turn a few heads!

Now I'm definitely a girl who likes cock, but now and again a couple of my girlfriends come over to the house on a Friday night, we have a few bottles of wine, watch some dirty DVDs and fuck. We've been doing it ever since a drunken evening about 8 years ago, and while we've all got steady boyfriends now, we've never felt like knocking it on the head.

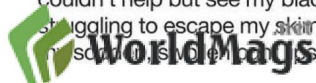

Last week Jessica and Yvonne had really made the effort to make the evening special and had dressed up for the occasion. I could hardly take my eyes off Jessica's cleavage squashed inside her tight blouse as I took their coats and poured out some hefty glasses of vino.

Yvonne had plumped for a very short leather mini-skirt and as we sat in the lounge chatting, I couldn't resist stroking my hand up her black stockings and resting my fingers on the soft white flesh above. We hadn't even got the porn on and I was already gagging for pussy.

Jessica loves big dick films (well, we all do, really!) and soon the room filled with the sound of lovely fat pricks squelching in and out of sodden cunts as we snuggled up on the sofa. As I watched a sexy slut stretch her mouth around a giant cock on the screen, Yvonne slipped her hand up between my thighs and began to rub the damp mound of my cunt through my panties. My own hand wriggled inside Jessica's knickers and I pushed one finger all the way into her tight, hairless slit. She moaned with pleasure and spread her legs so I could get deeper inside her. I added another finger and started to work them in and out as Jessica leant over for a kiss.

pussy lips.

One day we were together and as I had a new pair of see-through, lacy black knickers I thought I would give him an extra treat. Finishing my day's paperwork I slowly uncrossed my legs and parted them wide, leaving them like that for a couple of minutes till I saw that Stephen was drooling opposite. As the office got quieter I started to play with my nipples through my blouse, making them harden instantly. Stephen gasped, his massive cock twitching in his tight jeans. I parted my legs even wider so that Stephen couldn't help but see my black bush struggling to escape my skimpy panties and my sodden, swollen clitoris outlined and

"I SAT OPPOSITE HIM ON THE DESK, LEGS WIDE APART, AND OPENED MYSELF UP."

over onto Jessica, snogging her hard while sharing the love cream.

Suddenly, I felt a tongue push inside my tight bumhole as a pair of hands gripped my buttocks. Yvonne probed my back passage as I continued to snog Jessica, my fingers slipping into her dripping cunt as we kissed. She came again and I pushed my arse hard into Yvonne's face, relishing the gorgeous feeling of her tongue squirming in my bum. I fingered myself at the same time,

working on my twat and Jessica's together. A second climax made my muscles spasm and more juice oozed from my hole and

Our tongues swirled around each other's mouths as she expertly released my firm tits from my bra and tweaked the nipples until they were hard.

Yvonne did the honours and latched her lipsticked lips around one bulging teat, nibbling the tip as she continued to poke my twat. One of the guys on screen shot a huge load of spunk over a girl's arse and Yvonne moved down my body until her mouth was pressed against my pussy and her tongue was working my clit. With the dirty action on the telly and my mate's tongue slurping my cunt I knew the inevitable was about to happen and my whole body began to tremble as my first orgasm erupted deep inside me as I filled Yvonne's mouth with my sweet juice.

When I'd got my breath back Jessica clambered astride me and half stood so her slit was inches from my face. I parted her cunt lips with my fingers and tickled her swollen clit with the tip of my tongue as Yvonne noisily slurped away at my pussy. Jessica ground her hole against my mouth as I sucked her and with the help of Yvonne's finger embedded in her arse, Jessica soon shuddered to climax and I gulped down the goo that poured from her gash.

Sliding to the floor in a heap, Jessica and I concentrated our attentions on Yvonne, and while I squeezed and sucked her breasts, smearing Jessica's come all over them, Jessica pumped a couple of fingers in her waiting cunt.

I moved down Yvonne's delicious body and poked my tongue into her slit as Jessica continued to finger fuck her. The film was forgotten now as we lost ourselves in a mass of writhing female flesh. Yvonne came all over Jessica's thrusting fingers and I licked the mess from her cunt before rolling

down my legs.

Covered in sweat and come we moved into our favourite position on the floor. Each one of us buried our face in the closest cunt, forming a daisy chain on the carpet. Jessica sucking my gash, Yvonne sucking hers, while I rammed my tongue as far up Yvonne's drenched fanny as I could. Hands groped trembling tits and arses, fingers probed any holes they could reach and we worked on each other, locked in our filthy embrace. The idea was for us all to come at the same time but we were so turned-on that one orgasm melted into the next and I lost count of the times I came. All I know is my mouth was constantly full of thick sex fluid and my entire face was coated in the stuff.

We continued greedily eating pussy until exhaustion took over and we paused for a while. Resting my head in between Yvonne's wide open thighs, I inhaled the musky scent of her twat while Jessica gently licked the goo from my bum crack.

The evening certainly wasn't over though as us three getting clean in the shower together was the perfect opportunity a whole lot more fun!

MAYFAIR Classic

We couldn't have a Christmas issue without featuring Adele, could we? Well okay, so this isn't a Christmas issue really, but since it comes out so close to the Festive Season, it would be churlish of us not to ask Adele to don some kinky themed gear and get frisky in front of the Christmas tree. And what does she want for Christmas? "You're going to talk about this pearl necklace, aren't you?" Er no, not at all! "Yeah, as if! What I'd really like is some nice lingerie. I get through so much doing all these shoots, I think it's high time you boys took me to *Agent Provocateur*. Why are you running away! Come back here!" No! We're broke!

Just like the Ed's hero Ebenezer Scrooge, we're travelling back to take a look at Christmas past – although not all that long past, as it happens – to remind ourselves just what a delicious creature Adele Stephens was in her pomp! This set appeared back in volume 39, so a mere 11 years ago, in fact. My, hasn't time flown, and yet at the same time it somehow feels like only yesterday...

Vol.51 No.01

On January 8th

That's it - we've officially got the half-century under our belts now, which means it's time to press on to the ton! Thankfully there's still plenty of gas in the tank yet - not to mention lead in the pencil - thanks in no small part to girls as horny as Penny Lee and debutante Christen here! They'll be showing off plenty more in four weeks' time, if you can just hold out that long...
